

Farewell chatbots, Hello AI Sales Agent

At Melingo, we've redefined chats, turning interactions into genuinely smart, engaging, and human-like experiences, 24/7, any language

eCommerce Challenges

- Lack of 24/7 Availability
- No personalization
- Minimal upselling and cross-selling initiatives
- Scripted answers by chatbots
- Low Engagement leading to high cart abandonment

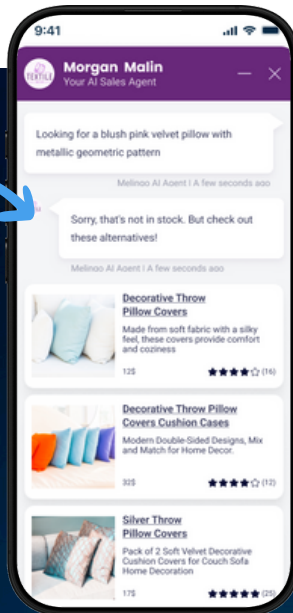

Melingo AI Sales Agent

- > Chats Naturally
- > Personalized Recommendations
- > AI Proactive Engagement
- > AI-Driven Upselling & Cross-selling
- > Product comparison upon request
- > Go to Checkout from chat
- > Predictive Analytics

Why Melingo for Ecommerce
